There is no need to pre-order elementary lunches. Lunch will be served to each student that does not bring a lunch to school and your account will be billed.

Elementary students are not to bring cash to school to purchase lunch. DCS and its teachers are not responsible for cash brought to school. Please make a deposit into your child's lunch account at www.LunchPrepay.com prior to your child purchasing lunch. Your child's student id number is required to start an account. This number was emailed to you, however, if you are unsure of the number please call the cafeteria at Ext. 277 to obtain it.

If using LunchPrepay.com is inconvenient for your family, feel free to make a payment in the cafeteria, we are open 7:30 am to 3:30 pm any school day.

DCS is offering a 5% credit if you deposit \$80 or more into your child's account. Your deposits will not expire and you can make deposits anytime you wish.
