

Full-Time Maintenance Worker

Applicants will need to be able to diagnose and perform a wide variety of repairs, including being skilled and/or experienced in basic electrical, plumbing, and general maintenance.

Requirements:

- Proven maintenance experience;
- High school diploma or general education degree (GED);
- Related degree and/or training from a technical college is preferred;
- Skilled in use of hand and power tools;
- Ability to take apart machines, equipment, or devices to remove and replace defective parts;
- Ability to read repair manuals or parts catalogs as necessary; and
- Ability to use common tools such as hammers, saws, drills, and wrenches.
